Become a Patron

Our Patrons have special access to our curators, our collections and our work. By joining us as a Patron you get to know more about the Gallery, and will have the chance to step behind the scenes to understand the difference that our supporters and donors really deliver. By becoming a Patron you make an important contribution to the exhibitions, conservation and collections care that makes Pallant House Gallery so important.

Support our exhibition programme

The funds we raise from tickets are never enough to cover the costs of our exciting exhibition programme; it is only philanthropy that means we can afford the scholarship, loans of work, installation and transport costs that go into making our exhibitions as special as they are.

Enable learning

From artist-led education sessions to talks and symposiums, from school group visits to the Arts Award, being a Patron is to be a supporter of learning. Only with the support of people like you can we take our work to all of the audiences that could benefit from it.

Conserve our Collection

From restoration and framing, to digitisation and photography, our role is to catalogue and keep our collection safe for future generations of art lovers. We would not be able to do this work without our Patrons.

Our Values

Pallant House Gallery is one of Britain's most distinctive modern art venues. Our world-class collection tells the story of Modern British art from 1900 to now, held within the unique setting of a Grade I listed 18th century townhouse and a 21st century contemporary extension.

Exploring new perspectives on British art through an ambitious programme of exhibitions and creative opportunities for all, our mission is to share and stimulate new thinking and to play a pivotal role in the creative lives of the widest possible audience.

From Post-Impressionism to Cubism, Neo-Romanticism to Pop and Neo-classicism to contemporary art, our collections and exhibitions tell the story of Britain through the eyes of some of the most important British artists, including Keith Vaughan, Ben Nicholson, Ivon Hitchens, Edward Burra, Graham Sutherland and Barbara Hepworth.
